Day 1: Saturday 01 February

Outward flight/Sao Tomé (TMS)

Flight to Sao Tomé. On arrival, meeting with the Kanaga Africa Tours staff who will arrange the transfer to the Emoyeni Garden Hotel or similar. Overnight stay in a double room with services.

Day 2: Sunday 02 February

Sao Tomé

After breakfast, assistance in exchanging euros and the possible purchase of a local phone card. The morning is dedicated to exploring the town of SAO TOME'. We will visit the museum, housed in the old Fort of Sao Sebastiao, which tells the story of the colonial period and the struggle for independence, with an exhibition recalling the Batepa massacre, in which in 1953 a thousand workers employed as labourers in the plantations were killed, who had dared to rebel against the regime of 'forced paid labour' imposed by the colonists and considered by international public opinion to be a true form of slavery. Afterwards, we stroll through the charming city centre, with its numerous pastel-coloured buildings built by the Portuguese, among which the Cathedral stands out, and the lively and busy market, characterised by its abundant fruit and vegetable stalls and lively bargaining for fresh fish. Lunch in a restaurant. In the afternoon, we will attend the traditional performance Tchiloli, or 'Tragedy of the Marquis of Mantua and the Emperor Charlemagne', a form of theatre acted and danced only by men, a way for the natives to re-appropriate history and make it an object of vindication. Overnight stay at the hotel.

Day 3: Monday 03 February

Sao Tomé/Trinidad/Neves

Breakfast at the hotel and transfer to Trinidad, the second city of the country. We begin by admiring the coffee and cocoa plantations, the main export products of the island, introduced by the Portuguese in the 19th century, where thousands of African slaves from other colonies, particularly Angola, once worked. Today, the rocas are 'farms' run by cooperatives, with quality and environmentally sustainable production that is in high demand in the international market. At ROCA MONTE CAFE' we visit the Coffee Museum, where we learn about the different varieties that are grown in Sao Tomé and admire the old buildings where cocoa processing used to take place. Next, we will head to the BOM SUCESSO Botanical Garden, with more than 400 species of endemic, ornamental and medicinal plants, and 140 different types of orchids. After a refreshing break at the SAO NICOLAU WATERFALL, inside the forest, we will have lunch at the Almada Negreiros museum-restaurant, with a tasting menu of local specialities. In the afternoon, return to the city for a 'sweet' stop at the island's most famous chocolate maker, Italian Claudio Corallo, for a rich tasting. Transfer to Neves, accommodation at Mucumbli Ecolodge or similar, overnight stay in a double bungalow with services.
